

What is the impact of Montfortian mission in local church or diocese and how can we make it more relevant in our mission?

- In general people are happy with our presence and what we do. For ex: we accompany legion of mary and other spiritual group. These groups are alive and its increasing in number
- In the parish mission, people like us because we are open and ready to help people. We are ready to go even to the remote places. We give ourself totally to the mission
- We also give priority to the poor. We are close to the people. Because of that closeness, people also care and generous towards us
- People also appreciate our simplicity of life, our availability.
- We emphasize baptismal promises leading to marian promises
- Relevant: we read the signs of the time.
- We try and be open to young people. We use the social media addressing the needs of people
- Being with people and journeying with them
- Follow Eco spirituality
- We are invited to be also creative in our apostolate
- Apostolic life
- Impact: it is thru our availability. We are able to work with the poor. Whenever we ask the bishop they give only problematic places and we are able to make changes
- We are able to make impact through participation of people in the services we do
- We help the local church by creating the leading
- Renewal of the life of the people
- Local church acknowledges with regard to the marian spirituality
- Impact thru our prayer garden and marian grottos
- We are able to reach out to people esp during the pandemic -spiritual needs
- We have established basic Christian community
- Some of our priests are in demand through legion of mary and marian retreats
- Impact through education and serving - Help the people get civilized
- Relevant: We need to become more open to accept and give preference to provide the inclusive education-we have to reach out to the least
- we need radical people to come out of their comfort zone because some are just struck in one place and community
- In the parish mission where we are working, we should try to visit the families.
- The people more faithful in doing their responsibilities in the family and in the parish (animating the Legion of Marie, associates, Marian devotions, Montfortian rosary in different methods and the TTJ session). After their consecration they are faithful in living and more committed in the mission in the local church.
- The trained associates become our partners in doing our mission in the local church and diocese.

- Training catechists to become the leaders in the local church.
- Involving lay leaders in the decision making has made them responsible and faithful in doing the mission along with us (synodality that is already being in practice).
- Educating the children and accompanying them in their faith formation.
- Availability for the mission,
- Promote the Montfortian way of Prayer for example the votive mass on Mary, pray rosary with the people, etc.;
- Bringing peace among the people,
- Working towards growth and development of the faithful;
- giving education and catechesis;
- help for the poor, clothing for the children and for the poor;
- medical care;
- increasing liturgy activities of the people;
- encouraging the catechist with an outing;
- fraternity, simplicity and approachability;
- faith formation;
- helping the victims;
- Become active and participation in the church;
- Montfortian missionaries went to the places where diocese couldn't reach out;
- Montfortian missionaries impressed and attractive people back to the church with their spirituality and charism;
- Brought change and newness;
- Encourage people to involve the programmes of the church;
- open to work together with the associates;
- youth animation
- **How can we make it more relevant in our mission?** To intensify and consistent.

What are the new ways or methods you propose through which you bring Montfort to the people of God in your apostolic life?

- Totus Tuus Journey
- Social media
- Social media;
- Montfortian publication
- Marian magazines
- Making documentary of the life of Montfort
- We have also lay associates
- We can also try and make cartoon, movie about Montfort
- Music ministry is also encouraged. Where there is music there are people

- Involvement of basic Christian community
- Montfort youth club in our entities
- Empowerment of lay associates
- To respond to the signs of the times – Hospice (we are responding as montfortians)
- We need to be welcoming people – like Montfort welcomed people – open the door to Jesus Christ
- We need to provide Montfort's method of praying the rosary, Montfort guides and translating the montfort's writings in the local language
- To be more close to the people (updating their life style, celebration ex. Eating the same food, feeling one with local people).
- Using creativity in mission (blessing the kids).
- Montfortian Missionaries residing close to the parish involving in the faith formation (preparing the couple for married, youth formation, retreat for the students, families, training lay leaders in return missionaries are supported financially by the groups).
- Maximize the usage of social media (IG, tiktok, FB) and updating our materials so that it become more appealing to the youth.
- Using Social media (Zoom, FB, Youtube, etc.);
- Communication the articles using printing media,
- visiting the people in their house/house visits;
- Collaborating with marian groups in the church;
- Organizing totus tuus journey online;
- Composing hymns on Mary and Montfort.
