Official entry of Malagasy postulants

ANTANANARIVO, Madagascar - After a week of retreat with Fr. Claude-Aimé TOVOMALALA, SMM, Thursday, September 26, 2024, 14 people including 6 in first year, 3 in second year, 3 in third year and 2 candidates as brothers, officially began their postulancy. During three years of philosophy, they will slowly experience community, spiritual, intellectual and human life; discern their vocation under the direction of two confreres: Fr. Samuel NILAINA, SMM and Bro. Michel RAVELO, SMM with the sole and same goal of following Christ through the Montfortian charism.

We wish them a good continuation.

Victor RATAFITANIAINA, SMM
